Walter B. Sinnott Scholarship 2019 Scholarship Application

The Hazen - Walter B. Sinnott Scholarship is awarded on the basis of merit and character to a full-time, post-secondary school student enrolled in a program of study in the water supply field that leads to a Bachelor's degree at an accredited college or university in the United States. Preference is given to applicants whose courses of study are considered to be beneficial to water works practice in New York State (e.g., engineering design, utility management or regulation, treatment plant operation).

Eligibility

- Applicant must be currently enrolled as a full-time student with at least freshman standing in a Bachelor's program at an accredited college or university in the United States.
- Academic achievement is a major factor in the selection process; however, there are no minimum requirements.
- Appropriate weight is given to a student's extracurricular activities such as participation in student chapters of professional societies and summer work experience in the water-supply profession.
- The applicant's course work in areas related to a career in the water-supply field will be considered.

Application Process

- Submit a cover letter briefing describing why you are deserving of this scholarship.
- Complete application form on page 2 of the application.

Scholarship Amount

One \$2,500 scholarship to be awarded annually at the Annual New York's Water Event on April 16, 2019. Scholarship recipient must meet eligibility requirements as reviewed by the Scholarship Review Committee and is in no way obligated to the New York Section or AWWA.

Application Deadline

February 28, 2019

Submit to: Jenny Ingrao, Executive Director

Mail: New York Section American Water Works Association

614 Seventh North Street, Liverpool, NY 13088

Email: jenny@nysawwa.org

About Hazen and Sawyer

Hazen and Sawyer has focused on two critical activities – helping our clients provide safe drinking water to their customers, and controlling water pollution and its effects on the environment.
