Project of the Year Award

The NYSAWWA Project of the Year Award was established to promote excellence in the management and administration in the water industry by recognizing the alliance between the managing agency/consultant/engineer/contractor that by working together complete potable water projects.

Criteria:

- ♦ NYSAWWA membership is required of nominee.
- ♦ Use of good construction management techniques and completion of the project on schedule.
- ♦ Safety performance and demonstrated awareness of the need for a good overall safety program during construction.
- ♦ Community relations as evidenced by efforts to minimize public inconvenience due to construction, safety precautions to protect public lives and property, provision of observations areas, guided tours, or other means of improving relations between the agency and the public.
- ♦ Demonstrated awareness for the need to protect the environment during the project. This included any special considerations given to particular environmental concerns raised during the course of the project.
- ♦ Unusual accomplishments under adverse conditions including, but not limited to age or condition of the facility, adverse weather, soil or other site conditions over which there is no control.
- ♦ Use of sustainable infrastructure rating system or the equivalent to ensure project is sustainable.

Entry Requirements:

- ♦ Submit the following:
 - Full name, address, and contact information of project owner/engineer/contractor.
 - Separate attachment including the following:
 - One page project description addressing Award Criteria.
