NYSAWWA Board of Governors
Application Materials
Desired Skills and Expertise

The Nominating Committee of the New York Section American Water Works Association is seeking individuals to serve on the Board of Governors with the following skills and experience. The Nominating Committee (five most recent Section Past Chairs) is committed to developing a diverse and balanced Board of Governors that supports the Section Office in advancing the mission and strategic priorities of the section and the association.

**Issue Area Expertise**

- Knowledge of the water industry issues and trends
- The American Water Works Association, its vision and mission.
- The mission and vision of the New York Section
- The organizational structure of the New York Section and its committees
- The funding mechanism that supports the New York Section activities

**Competencies and Skills**

- Highly credible and respected in area of expertise
- Governance experience; successful track record of serving on non-profit boards, or at the Section committee level
- Strategic thinking, planning and execution
- Financial acumen including basic budgeting and ability to understand financial statements
- A commitment and ability to reach out to industry contacts to recruit new partners and/or to advance the goals of the New York Section American Water Works Association
- A commitment to diversity and inclusion
- Forward thinking; an ability to notice key trends and proactively position the Section and its programming based on those insights
- Commitment to service and acting in the best interests of the NYSAWWA
Statements of Responsibilities

The Board of Governors plays an essential role in shaping and advancing the mission and strategic priorities of the New York Section. Board members are expected to actively contribute their leadership, expertise, time and talents in meeting the association and section objectives. The Board of Governors meet the highest personal and professional standards and reflect diversity of the community we serve. The Board of Governors is the governing body of the section and will execute its business in accordance with its governing documents.

The NYSAWWA has two options to become a board member: Trustee and Trustee-at-Large. Trustee-at-Large serve a three year term, with the possibility of extending their commitment another three years. The Trustee position is a six year term. After service the first three years, the Trustee advances to Vice Chair, Chair, and Past Chair. The time requirements for these positions depend on your level of interest and commitment. Most individuals serving in Trustee/Trustee-at-Large positions find that their duties require as little as one day per month plus two days per quarter to attend the Board meetings. The Vice Chair, Chair and Past Chair typically require about two days per month plus the Board meetings, and demands of the Chair position can require one to two days per week at times. Certainly, it is possible to invest more time than that, depending on your personal schedule and interest.

Responsibilities

- Belief in the purpose, mission and approach of the American Water Works Association and a commitment to act responsibly and prudently as a steward of the New York Section
- Acceptance of legal, fiduciary and ethical responsibilities to ensure the section does the best work possible in pursuit of its goals
- Attendance at four board meetings, including a strategic planning meeting and possible phone conferences if needed
- Maintain independence and objectivity in conducting the section business. Avoid the appearance of conflict of interest, by disclosing any potential conflicts to the Board of Governors in a timely manner.
- Stay informed about the association and the sections activities, including reviewing financial statements, asking relevant questions and requesting information as appropriate; be willing to actively participate in making decisions and taking responsibility for them.

Expectations

- You will be a member in good standing with the American Water Works Association either through an individual membership, utility membership or service provider membership.
- As a Trustee/Trustee-at-Large you will be asked to liaison specific section committees during your term in office. It is vital that you stay engaged with these committees, ensure they are on track to meet their annual training objectives and that they have succession plans in place. If you cannot attend these committee meetings in person it is recommended that you call in via conference call.
- Active participation in signature events convened by the section.
- Active participation during and between board meetings, including resource development, support of policy, programming and special events.
- Serve as champion for the work and mission of the American Water Works Association and the New York Section
- Work with the Executive Director and other Trustees/Trustee-at-Larges in good faith as partners toward achievement of the section’s goals, mindful that the role of the board is governance, policy and strategic direction.
- Pay all personal expenses related to attendance at board meetings and events, unless otherwise noted.
Thank you for your interest in serving on the Board of Governors for the New York Section American Water Works Association. The Board of Governors oversees the overall execution of the section’s mission. Principally, the Board manages organizational finances, governance issues and sets long term priorities for programs. Board members have an important fiduciary responsibility consistent with the American Water Works Associations status as a 501(c)(3) nonprofit organization. Candidates are urged to make the New York Section one of their top priorities for their voluntary leadership activities.

Trustee/Trustee-at-Large positions require a time and energy commitment of approximately 2-4 hours a month and full attendance at the four Board of Governors meetings a year and additional travel expectations that will be noted once serving on the board.

Interested candidates should review the Board Official Documents page on the section website - https://nysawwa.org/about/Governing-Documents. We also encourage interested candidates to contact our Executive Director, Jenny Ingrao, with additional questions regarding priorities and needs. Her contact information is: jenny@nysawwa.org she can also be reached by calling 716-665-0616.

To Apply:
If you have been asked by a member of the Section Nominating Committee to run for Trustee/Trustee-at-Large please return the Application Form, Questionnaire, resume, CV or bio, AND letter of support from employer, to NYSAWWA Executive Director, Jenny Ingrao, via email at jenny@nysawwa.org by October 1. As mentioned earlier, being an effective Trustee/Trustee-at-Large requires a time commitment. It is important that your supervisor is aware of this which is why we require their letter of support.
